Why have you failed to enroll?

Is it a matter of price? ....... Is it too high for you? .......

What would be a convenient CASH price for you? ......... Would you enroll now at that price? .......

Are my terms too difficult for you to meet? ....... What would you consider convenient terms in your particular case?

.................................................................

Would you enroll now at these terms? .......

Does a big, powerful, well-muscled figure appeal to you? .......

Have you stopped to consider that I must either please you or return your money and that you have therefore nothing to lose?
