Let Me Put Muscles Like These On You!

NOW is the time to enroll for your fall training! Come to my modern studio . . . train under my personal guidance.

Right in the heart of New York . . . a big spacious sky-light gym with locker room and showers . . . and the greatest equipment you've ever seen . . . bar balls in every weight, my own "Klein-bars," a Roman column, Roman

chair, the "In-Klein Board," the Roman board—apparatus to develop immense strength in any or every muscle.

Train here under my personal advice . . . get the benefit of my constant supervision. Every movement is carefully

criticized to develop proper "form" as well as great strength. It is the surest way of developing your physique to championship proportions.

For those who cannot possibly come to my gym I have prepared a most elaborate "Home Training Course" with my own especially designed weights.

SEND FOR THIS FREE BOOK describing in detail this marvelous new course and showing numerous examples of the splendid results I have achieved in body building. Physical culturists everywhere have pronounced this the last word in home training courses. Send the coupon today.
