

WORDS ON WEIGHTS.

On Saturday night, Oct. 26, at the Lindum Hall, Lincoln, W. Warner, of Mansfield, Notts, made attempts on the two hands clean and two hands military press records. He failed on the two hands clean owing to an injury to his foot, sustained while following his occupation as a pitman, but he succeeded in lifting with the two hands military press 170lb. 12oz., thus breaking the record with some 10lb. to spare. C. Cowling, who had been officially appointed to act as referee, passed this lift.
