

A WEIGHT-LIFTING CHALLENGE.

Sir,—Seeing an account of the Olympic Physical Education Academy, I note that Mr. F. Robinson is prepared to meet any 8st. 7lb. amateur at weight-lifting. Being desirous of making a match, I should be pleased to meet him for a suitable prize, to be decided on six or more different lifts, each man to nominate three. Hoping a match can be arranged,—I am, etc.,

ALF CAUSER.
