

THE WONDER-BELL COMPANY

52 FRANCES AVE.

AUBURN, PROVIDENCE, R. I.

This Occult System for inner development, coupled with our recently invented Wonder-Bells, gives you the means for using nature in a way that will make you so strong that you can handle a pair of heavy dumbbells as easily as the average man handles light ones.

There is not a reason in the world why you should put off health and strength. They are the things that make life worth the living. If you have ever been in a hospital you realize the truth in that statement. Money is of no good unless you can enjoy what it buys. If you cannot love, you do not live--and you cannot love strongly unless you are a man in the fullest sense of the word--and, remember, your manliness is based upon sex. The less strongly sexed you are, the less manly you are. We should like to go into detail and explain to you the Law of Sex, but we cannot do this in a letter of this kind.

We know what this System will do for you, both in a physical and mental way--so we don't ask you to send any money now. Simply return the order blank enclosed, and the Wonder-Bells and first lesson will be sent by return mail or express. Upon receipt of the bells and first lesson you make your first payment.

Yours for masterful strength.

THE WONDER-BELL COMPANY.
