Friend Ott.

A word in haste in reply to your letter. I need
very blamed moments. I will write in or after Thursday
when I hope to have real news.

Arrange the writing of books in your own way
that Ott. I will take care of the legality?

Excuse me I am working all night long a
an effort to win for us both.

I saw th I. C. S. means he wants
line up, so am working to give him it for this decision
See him Wed.
