

THE WONDER-BELL COMPANY

52 FRANCES AVE.

AUBURN, PROVIDENCE, R. I.

April 12, 1919.

Dear Mr. Coulter:

We thank you very much for sending for "Marvelous Strength." It shows that you are wide-awake to your possibilities--that you realize MASTERFUL POWER OF MIND AND BODY IS POSSIBLE FOR YOU!

We have tried to show you in this little treatise what the principle upon which all improved growth depends, and at the same time call your attention to the danger of overdoing even a good thing.

As you found this little course of interest, so will you find our Complete Wonder-Bell System of interest--only many times more so. Where the little treatise showed you the working of one law of strength, the Complete System shows you TEN LAWS OF STRENGTH.

We take it for granted that you are interested in new discoveries in nature--that you feel within yourself an urge to greater things--that you want to be the perfect man you were intended to be; therefore, we believe you will want to know all about the New Wonder-Bell System, which is based upon the laws of nature that control your future health, wealth, and happiness.

Being, therefore, an intelligent man, you know, of course, that there is a Law higher than made-by-man laws which keeps the universe in perfect rhythm--a Great Law that rules everything, from the tiniest atom to the greatest solar system; a Law which no man can surmount, but to which every man must bow his head in obedience. The man who does not understand this Law is like a chip on a deep silent flowing river, float-wherever the tide carries him; but he who understands the law knows how to work with it and use it to further his ends.

Every certain effect comes from a certain cause--and that effect in turn becomes the cause of another effect. Like causes always produce like effects, and like effects always spring from like causes. No matter how anxiously you desire strength, big muscles, active brain, wealth, or anything else, you will never get them until you understand the law which controls each. They are the effect from some certain cause or combination of causes, and they shall remain beyond your reach until you know what the cause or combination of causes is.

The Wonder-Bell System takes up these Laws one by one, and plainly shows you what to do and what not to do to develop tremendous strength and energy, and places in your hands the means of using that law for your greatest benefit.
