

EALING.—At the Ealing P.C. Club on Mar. 25 some good lifting was done by Bernard Carrington, age 20 years. Carrington is a remarkable lifter for his age, and when only 17 he was complimented by George Hackenschmidt at the Willesden Hip. At that time he could do 160lb. with one hand. At Ealing the other night he did the following lifts in the presence of Stan Pigott the wrestler, and others. His measurements are: Neck 10in., chest 44 (ex.).
