Jan 1..23,

Dear Friend,

I have been expecting word from you for some time, but have heard nothing as yet.

Did you receive my last letter?

What do you think of the propositions?

Have you found out any estimation Booklet?

Perhaps you have wrote a letter has gone astray.

As I am anxious to hear in order to make plans, would appreciate a reply by return.

With kindest regards to you & yours for all 1923.

Yours Sincerely
Pal in
great haste
