**CLOSE, BUT NO CIGAR!** — Clenched fist of Matt Cimber, present husband of Jayne Mansfield, appears to be on target as it heads for chin of Mickey Hargitay, Jayne's former husband, braced against wall. Either the target moved or the aim was bad, because haymaker

missed, in altercation on New York's Fifth Ave. yesterday. Hargitay is holding one of his children, Zoltan, 4, while Jayne gasps and Mickey Jr., 6 (right), watches. Scene took place when Jayne arranged to have Mickey see their children.
