

You had better write <sup>work</sup> Tuesday Phila  
for your money for articles I asked  
Dear Al: <sup>him several times.</sup> Mar 15

Am sending you back pictures. Bad news.  
Redmond let me out last night without a moment warning.  
Claimed my work was good etc but just as I told  
you it is thin trash. Accidentally I know too  
much. I do not know what I will do. I'm broke  
not a job in sight. Berrier continued sickness has  
ruined me. Well. I'll hope for happier days if less  
money. I certainly was never happy here. I understand  
also that Benny double crossed me to get my job for  
less money. I may send some of my books & pictures on  
for you to take care of till I get settled. Write me care  
of Luddy Mack 1907 Kinsey St. He used me like he  
did William & Calvert & others whom you do not know.  
I feel awful bad over it. Not a cent for my books or anything.  
Write soon Kind Regards. Gene
