Dear Mr. Dawe,

Here is a couple of photographs from a display of the "Dawe Collection". Since we have not enough room to show the whole collection we have decided to display only a little part of it at a time.

The name may be hard to read on the photograph but it says (in English and French):

"Collection Dawe
These items form part of the collection donated
to SIRC by John E. Dawe."

Sincerely,

Gilles Chiasson
SIRC Manager
