Dear Mr. Coulter.

Did you receive my last letter, which enclosed
the full particulars of the asso: along with
the list of lifts?

I would like to receive your ideas etc upon it,
for the good of lifting. Kindly write soon.

Sincerely Yours

G. F. Jewett.

In the event of a state official dying a life it cannot be
signed by him, but after witnesses & others have signed is sent
to ansso See: who signs. Have I made as artistic as possible
& have a stick cut or if not a little ornamentation around
reading in print. Different colors go good. Get good
paper, & a good sign, oblong looks best
